EDITED UNDER THE SUPERVISION OF SILENT UNITY

Stately and tall, as pictured on the cover of DAILY WORD, the Unity Campanile or Prayer Tower directs the traveler to Unity Farm near Kansas City. Even so this little magazine daily directs your steps to the sun-tipped heights in whose glory you behold yourself as a son of God; for such you are.

FOR THY BENEDICTION

Father, in Thy hands and keeping, I now place all my affairs, every little situation, all my little tasks and cares, all my loved ones, fully knowing they can neither fail nor fall. They are in Thy sure protection while Thy love encircles all. In such utter resignation, I relinquish worry thought. From my shoulders loads are lifted. I accept Thy Truth as taught, just to cast on Thee the burden and no longer be afraid, to behold Thy prompt salvation, to depend upon Thine aid. Take my loved ones in Thy keeping, they Thy blessing will receive. Let Thy holy benediction be outpoured as I believe! As my faith in Thee increases give them back, then, one by one, steadied in their thought and vision, when Thy work in them is done. Amen.

The Eternal Temple

CLARA PALMER

WHAT ARE the advancing years doing for us? What would we have them do? Time is our servant, not our master, and the years will serve to strengthen every good purpose of God in the midst of us, in our mind, soul, and body, as we work from the consciousness of the mastery and dominion that is ours in Christ.

Hundreds of thousands seek healing; as many more dread the march of the years and their effect upon their physical well-being—all this in spite of the fact that "we are a temple of the living God; even as God said, I will dwell in them, and walk in them; and I will be their God, and they shall be my people."

Silently, without sound of hammer or ax, the work of God is constantly going on within the body. Cells are being ceaselessly renewed. Just as in the inmost depths of your being you bear the image and likeness of God, the image and likeness of His first creative thought for you, so the ever-renewing cells in your body bear the imprint of your thought, the likeness of your conception of a body.

Therefore you can begin any moment you choose to work with "the Holy Spirit which is in you, which ye have from God," for the perfect body, the eternal temple of divine life and wholeness that God has conceived for you. His call from the midst of your soul is ever a summons to life and wholeness.

Do not be mistaken about the true nature of your body. "Your body is a temple of the Holy Spirit which is in you, which ye have from God . . . glorify God therefore in your body," so that it may become radiant with the light of life.

If any portion of your body is ailing it needs your spiritual attention. It needs more of your faith in God as health, more understanding love, even the love of "the Holy Spirit which is in you, which ye have from God," the restorative Spirit that strengthens, illumines, renews, and heals.

As you come to know your body as the living temple of God, a temple that God never has deserted, one that He never will forsake, you appreciate it more and more. You pattern your thoughts after God's thought of life. You work with Him to keep His temple radiant, pure, strong, and lovely in every part.

A right understanding of the body as the temple of God, chosen by Him for His habitation, and jointly owned and shared with us, is a compara-

tively new idea to many of us. We need to establish ourselves in the truth that this very body in which we live is actually animated and filled with the presence of God and that we are His chosen keeper of the body temple in which we live and move and give expression to our being.

Think how steadily throughout the ages God has worked with infinite love and patience for the establishing of the perfect temple of life and wholeness in which we, His children, could dwell in perfection of being. Every part of this temple is priceless to God, priceless to us, for it is our eternal inheritance.

"We, who are many, are one body in Christ, and severally members one of another."

Let us then work lovingly, unitedly, joyously together with God for the perfect body temple, for eyes filled with His light, for hands adept in His service, for feet fleet and free in bearing His glad tidings of wholeness, for strong, courageous, loving hearts, for Truth in every organ, every cell. All are related in some form of expression to the inner work of the Holy Spirit. Let us bless them every one day by day. Then the years will yield us the blessing of growth and development in the perfect temple of the perfect being God intends us to be. "We are a temple of the living God; even as God said."

A Prayer

BEATRICE B. RAINS

O Lord, increase my faith. Increase it
till I feel
The mind that was in Christ is born
in me. Reveal
Thyself that I may know what Thou
wouldst have me do.
For as I use the faith I have it is
renewed,
Is added to. Such is the law. And
only so
Can I increase aught that I have or
am. I know
That through Thee I can do all
things. There is no foe
I cannot vanquish, no place I cannot
go,
No task too hard to do, no grief too
great to bear.
I know this to be so. Lord, grant that
I may dare
To act on this belief. For then will
come to me
That consciousness of God, that
mind, which is in Thee.

News about the New Unity Buildings

The building program at Unity Farm is under divine guidance. The spirit of wisdom and plenty prospers this work.

This is the prayer that is being used by Unity people everywhere for the new buildings now in process of erection at Unity Farm (sixteen miles from Kansas City), future home of Unity City, where we expect soon to house all the activities of Unity School: the printing department, publishing department, Society of Silent Unity, Correspondence School, and all the other well-known departments.

At the same time, the local Unity Society is preparing to erect a new church and Sunday school building at 47th and Jefferson Street, in Kansas City, Missouri, to be known as the Unity Temple. Already the lot is fully paid for, and funds for the building are accumulating steadily. The prayer used for the Temple is:

"This work goeth on with diligence." "The God of heaven, he will prosper us."

Since these projects are separate and distinct and there is an individual fund for each, we suggest that those who so thoughtfully contribute financially to either or both projects help us avoid confusion by stating clearly whether their gift is to go to the Temple fund or to the Unity City building fund, or is to be divided between them.

We are sincerely grateful for the prayers and assistance being given, and we bless and pray for everyone who is helping in this good work.

"He Giveth His Beloved Sleep"

ERNEST C. WILSON

DO YOU find it difficult to sleep through the night? Do you toss on your pillow and as a result approach the new day wearied rather than refreshed? Truth can help you, and will. Remember the promise of David: "He giveth his beloved sleep."

Lying awake can be as refreshing and renewing as falling asleep if your thoughts and feelings are right, if you are at peace with yourself and the world. So begin by seeking such peace.

If thoughts of the day's activities harass and trouble you, do not fight them or try to drive them out of your mind. Instead make the remembrance of them an opportunity to bless them. Patiently and lovingly go over them in your thought. Examine them with love-filled eyes. Instead of pushing them away from you, look at them more closely, more inwardly, until you discover the inmost good that they contain. If you find bitterness, fear, resentment, or discouragement in any of them, forgive the experiences, anyone connected with them, and yourself. If there is anything you can do to correct a mistake or to adjust a misunderstanding, resolve then and there to do it. Even

make a memorandum of it for attention next day. Then dismiss it.

Be practical. If going over and over the problems and opportunities of the day that is closed, or the day that lies ahead, is likely to do any good, yield to this thought process and impartially consider the matters that concern you. Beyond that release them. Merely being unhappy or troubled about them never helps. This is an indulgence that is in a class with other harmful human dissipations. You are working against the good when you permit the indulgence.

You say that you do none of these things and sleep still eludes you? Very well. Agree with that condition. Do not fight it. It will do you no harm to lie awake if only you keep relaxed. You will find rest and refreshment while awake as well as while asleep if your thoughts are right. Make your waking state a time of meditation upon Truth. Memorize and repeat some of the affirmations and prayers that especially appeal to you. Say over to yourself the lines of some beautiful poem, or one of the Psalms, particularly if you are fearful, afraid of danger during the night hours. Place yourself in God's care, and know that His love watches over you and those dear to your heart.

While you are resting, enjoy the luxury of un-

hurried, leisurely thought. During the active hours of the day you may not always have the opportunity to do this. Make the most of it. What a blessing it is that you can keep awake long enough to enjoy it. Ideas will come to you, ideas that are elusive during the hurried daytime hours. Again have recourse to a memorandum pad. Jot down these ideas. Thank the Father that He brings them to your consciousness.

Does it seem that we are avoiding the issue, that instead of offering help in getting sleep we are recommending that you stay awake comfortably and profitably? No. Sleep will come if you do not resist wakefulness. Your agreement with wakefulness is itself conducive to refreshing slumber.

*"In peace will I both lay me down and sleep;
For thou, Jehovah, alone makest me dwell in
safety."*

"Rest in Jehovah, and wait patiently for him."

*"My presence shall go with thee, and I will give
thee rest."*

"Sleep on now, and take your rest."

*"When thou liest down, thou shalt not be afraid:
Yea, thou shalt lie down, and thy sleep shall be
sweet."*

I FACE LIFE FEARLESSLY, CONFIDENTLY, AND TRIUMPHANTLY, BECAUSE I REALIZE THE CHRIST POWER WITHIN ME.

WITHIN the depths of our inner being God has endowed us with His power, the Christ power. By realizing and trusting in this power we have the resources for handling every situation successfully. When we accept Christ as our power, we throw off the shackles of fear, weakness, and inefficiency, and face life dauntlessly. When we are energized by the Christ power within, we are capable of solving all problems. We are equal to any emergency that arises, knowing that the outcome will be for our highest good. As we draw on the Christ power we are strengthened, guided, protected, healed, and blessed. We are benefited, and others are blessed by the Christ power working through us.

Realizing our oneness with Christ we press forward courageously "toward the goal unto the prize of the high calling of God in Christ Jesus," growing stronger, wiser, and more radiant every day.

• *Ye shall receive power, when the Holy Spirit is come upon you.—ACTS 1:8.*

I EXPRESS LOVE FOR ALL PEOPLE AND THEREBY GIVE EXPRESSION TO MORE OF GOD IN ME.

TO SAY "I love God" is simple. But to begin expressing this love for God by loving all of His people is to live "I love God!"

This day I dedicate myself to expressing greater tolerance, understanding, good will, and praise. This day I start a new way of life that will make my love for God such a vital, important part of my life that I shall not be able to stay its flow.

From the heart of God in the heart of me wells a mighty stream, a stream irresistible, undammed, a free, strong, mighty stream; it is the stream of God love. It is God love manifesting itself as love for all of God's people no matter what their color, creed, or nationality may be. It is pure and undefiled, living and moving in me and through me. From the consciousness of God's love in me I speak a word of blessing for my fellow men.

Again I say, "I love God," and I live my love for Him by expressing love for all people.

¶ *A new commandment I give unto you, that ye love one another; even as I have loved you, that ye also love one another.—JOHN 13:34.*

IN ACCORDANCE WITH DIVINE WILL I DECREE
HEALTH TO MY BODY, AND IT IS GLORIOUSLY
RENEWED.

WHEN Jesus Christ healed the lame, the blind, and those stricken with disease, He did not restore them by outside appliances but by revealing to them their own unchanging spiritual nature: that is, perfection.

To those of us today who seek freedom from the bondage of limitation, whether it be mental, spiritual, or physical, He says as He said to the sufferer of old, "Arise and walk." All of us are inherently perfect, and we have but to realize this basic truth of our being to cast off all forms of inharmony in mind, body, and spirit. We are whole! We are children of God, heirs to His perfect and abundant good! As soon as we realize this, as soon as we begin to think and act with the wholehearted conviction that God's will does not and cannot include sickness, poverty, and unhappiness, we shall manifest good only.

Child of God, sickness, sorrow, and fear have no power over you. Arise and walk, in the name of Jesus Christ!

• *Arise and walk.—LUKE 5:23.*

Thursday

DIVINE FAITH ASSURES ME THAT THERE IS ALWAYS A WAY FOR MY GOOD TO COME TO ME.

THE SECRET of having faith is really to believe that all good can be brought forth in spite of any apparent limitation. To gain the divine help necessary in order to manifest healing, solve a problem, supply a need, or find our way through some maze of difficulty, we must *believe* that it can be done. When we do not really believe that the good desired is capable of being attained, we give up trying, and then of course we cease to use faith.

When we give our entire attention to worry over probable obstacles, our mental vision is focused on hindrances, and we cannot see the solution which faith would enable us to see.

There are no actual limitations to our good. God's will is for good always. But unless we believe that good is possible, we bind ourselves to limitation. There is always a way for good to be made manifest. We may not now see it, and our mind may not now discern it, yet there is a way, a perfect way, God's divine way of good.

* According to your faith be it done unto you.—MATT. 9:29.

I AM ETERNALLY ONE WITH GOD SUBSTANCE.
I HAVE ABUNDANCE FOR EVERY NEED.

IF YOU have a financial problem to meet, place your faith in God substance. Give thanks that all channels of receiving are open to you. Free your mind from anxiety and doubt, substituting faith and trust. Give your attention to the truth that God is absolute power and that He wills for you abundance for every requirement.

Do not fear for the future, or become over-anxious concerning an immediate need, but remain poised in the assurance that God always has met and always will meet the needs of His children. His substance is sufficient for you. Both now and in the future your way will be made clear and your affairs prospered if you will keep your faith steadfast and centered in God.

God substance has been given to you. Claim it, accept it. Expect it to be manifested in the form in which it is most needed. Even though outer adjustments may not yet have been made, believe firmly in the presence and power of God substance, and you will receive.

* Yet I am become rich, I have found me out substance.—HOSEA 12:8 (A. V.).

Saturday

I AM NO LONGER IMPATIENT. I EXPRESS THE PATIENCE OF CHRIST IN ME.

WHEN WE put Christ first in our heart and in our life we readily acquire the virtue of patience. There is inherent within us a Christlike quality of confidence in God and reliance upon His divine law that enables us to express more kindness and patience.

Unkindness and impatience show that we are giving our thoughts to the things of the world about us. We experience impatience when we believe that in some way unhappy situations come to prevail before the blessings of Christ, that the work of Christ can be delayed, or that our good can be withheld.

The belief in time as a factor in fulfillment also has a bearing on our impatience. Sometimes we become impatient because we want to hasten the work of Christ, or we blame others for the seeming delay of our blessings. In order to express true poise, peace, and patience we must lift up our thoughts to Christ and patiently witness the working of His love in our life.

* Let us run with patience the race that is set before us.
—HEB. 12:1 (A. V.).

I PRAY THE PRAYER OF TRUTH WHEN MY THOUGHT ASPIRES TO GOD, THE GOOD, AT THE HEART OF MY BEING.

THROUGH prayer we commune with God. We lift our thought to things heavenly and discover that what we have sought through prayer actually exists as our own. Nothing we desire in Spirit is ever denied us.

By prayer we find our relation to God to be an indissoluble one. Only that prayer which recognizes our unity with God is the prayer of Truth. Only the prayer that admits no belief in adversity or limitation can ascend to the throne of high heaven, the altar of God at the very heart of our innermost being. We truly pray when we draw near to God and feel that He is near to us.

Through prayer we increase our awareness of our oneness with God, with all good. We cannot meditate upon God and His blessings without exposing our head to such a downpour of heavenly blessings that we must increase our capacity in order to provide proper reception for it. Through prayer God reveals Himself to us.

• *The prayer of faith shall save him that is sick.—JAMES 5:15.*

JUNE 8

Monday

I EXPRESS THE POSITIVE POWER OF THE CHRIST MIND IN WISDOM, LOVE, AND UNDERSTANDING.

UNDoubtedly the quality most of us ask for in making any decision is wisdom. This is truly one of the foremost qualities needed in handling any situation, but it becomes an even greater ally when used in conjunction with love and understanding.

Through our inner faculty of understanding we ascertain the real motives and needs of persons and situations, and we are thereby enabled to follow the most righteous course of action. True love for our fellow men prompts us to be kindly, generous, thoughtful, and helpful in our speech, in our actions, and in our decisions.

The Christ mind ever abides within you. By turning within to this mind you make contact with its power of discernment, discrimination, good judgment. Thus you are enabled to express all the wisdom, love, and understanding you need. With such a mighty power at your command you can act wisely and rightly in every circumstance.

* *I am now come forth to give thee wisdom and understanding.—DAN. 9:22.*

THE JOY OF LIVING SPRINGS FORTH WITHIN ME TODAY.

“**J**EHOVAH’s lovingkindnesses . . . are new every morning.” This morning you awakened to a day of new joy, new hope, and new experiences, a day that is capable of bringing greater blessings into your life, a day that has within it the possibilities for teaching you more and more of God’s goodness and the joy of living.

If you are ready and willing you will get just a little closer to God today. You will feel a little freer from the experiences of the past, the anxieties of the present, the fears of the future. This day will be more enjoyable and more harmonious if you will release yourself from unhappy memories and learn to accept your blessings now. Great peace and joy fill your being when you give yourself to God and receive His blessings.

What does today mean to you? It is opportunity. It is filled with blessings and will bring immense joy and good if you will let it. As you become receptive to the blessings of God today, nightfall will find you happy, joyous, and victorious.

Possibilities

ELIZABETH SEARLE

GEORGE SANTAYANA has given us two very thought-provoking definitions. "The difficult," he says, "is that which can be done immediately; the impossible that which takes a little longer." Every Truth student knows that with God all things are possible, yet many of us fail to act on that fundamental idea. We are all too prone to accept the outer appearances of barriers and limitations without considering the inner solutions. Many exciting possibilities we pass up constantly because we are not on the alert to seize them and use them.

In this age of scientific miracles it should be doubly easy for a person to believe that nothing is impossible, that it may only take a bit longer to accomplish than the obviously possible. The airplane, the radio, the electric light, the new atom-smashing machines, these were all built out of so-called impossibilities. It only took men who believed in the possibility of their achievement to bring them into manifestation. So each of us may do with the ideas that come to us. We can find

solutions to seemingly impossible problems if we are only alive to the Truth about the world. We can achieve the so-called impossible by recognizing that Spirit is the fundamental basis of life.

The most utterly fantastic dreams we can dream, the greatest ideas that can come to us, the most wonderful hopes we can cherish may all be brought into manifestation. Prayer and persistent work, a vision of and a faith in what we set out to accomplish, these are the ingredients of success. Dream your dreams, then begin to build a foundation under them. Health, professional success, abundance of all good lies within the possibilities of everyone.

As with our big desires so also with the small. The law never fails. No sincere wish is too small to be fulfilled if we work with the law. A lost pencil may be located twice as quickly and a million times more easily if one quietly thinks, "Nothing is lost in Spirit; I am led to my pencil," than if one searches the house from top to bottom wearily, impatiently, peeviously. Irritating problems can be smoothed out, hopes can be fulfilled instantly. With God all things are possible, but faith must be strong.

The possibilities of life are infinite. Let us begin to work constantly with God, with whom nothing is impossible.

JUNE 10

Wednesday

GOD BLESSES MY EYES WITH NEW STRENGTH,
LIGHT, AND PERFECT VISION.

MY EYES are God's eyes. They shine with the light of Spirit and sparkle with enthusiasm, joy, and happiness. Knowing that God's perfect vision has been given to me, I open my mind to new ideas and my eyes to new visions.

I let go of all thoughts of ill will and ill-health. I willingly lend myself to the workings of Spirit, and I rest secure in His healing love. Doing this is like raising a curtain, for I see all things in a different light.

By daily prayer and meditation, by being steadfast and persistent in my knowledge of Truth, my eyes are strengthened and redeemed, restored to their perfect birthright. They express perfection, they focus properly, and I see clearly.

My mind is awakened to the Christ within, and I am alert, observant, attentive. I see with the eyes of Spirit. The healing life of Spirit has blessed my eyes with renewed strength, freedom from obstruction, perfect adjustment, and clear sight.

* Then touched he their eyes, saying, According to your faith be it done unto you.—MATT. 9:29.

JESUS CHRIST IS MY COMPANION TODAY.

How wonderful it would have been to live in Galilee in the days of Jesus' ministry, to have seen His dear face and talked with Him. Yet today it is my privilege to know the companionship of Jesus Christ, for did He not promise, "Lo, I am with you always"?

Today I accept this promise in its fullness. Conscious of the blessed spiritual presence of the Christ, I know that He walks beside me, guiding my footsteps aright. I go about my daily work in joyous confidence, aware that His unlimited power and wisdom are mine. If I experience indecision of any kind, I ask myself, "What would Jesus do?" and the still inner voice of His wisdom gives me the answer I seek.

Even as I feel a oneness with a dear friend who is by my side so I am deeply aware of the uplifting presence of my unseen guest. I feel His love for all mankind surge through me, a blessing and a benediction upon those whom I contact. The sweet assurance of His love for me brings joy and gladness to my heart.

◆ *Lo, I am with you always.—MATT. 28:20.*

JUNE 12

Friday

THE I AM IN ME IS THAT WITHIN ME WHICH NEVER CHANGES. IT IDENTIFIES ME WITH SPIRIT. I AM SPIRIT.

LET US think of the I AM as that something within us which is our rock of refuge. When outer conditions appear to be inharmonious, the I AM seems to speak from the very depths of our being and to say, "I am peace." When we seem to be in the throes of disease, the I AM assures us, "I am life and health." The I AM is God within us. It is that which the Creator has left of Himself in His creation. It is that which we instinctively know to be of a nature unlike the character of things of the world. We know that it is Spirit.

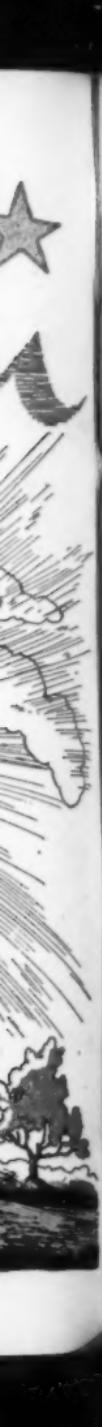

When we say, "I am health," with the conviction of spiritual consciousness, the I AM gives a certain stability to our health. We feel that it is established in Truth and must endure forever. The I AM should never be joined to negative statements. We should not say, "I am ill," or, "I am poor." The I AM should always be thought of as associated with things of God, things of permanence, that which is of Truth.

◆ Before Abraham was born, I am.—JOHN 8:58.

Dawn

SUZIE MORGAN 1964

Priscilla Drennen

One by one the silent stars slip out
As dawn advances upon earth and sky,
And through the mist of changes wrought the sun,
A glowing disk of crimson fire, flames high.

Now is the promise of a new day come
To stir the heart in lingering memory
Of ancient miracles performed when God
Moved upon the earth in pristine purity.

God is in this holy hour of morn.
His love has healed the wounds of yesterday;
His presence wakes to wonder common things
And bids the soul to meditate and pray.

I yield myself to God in this new dawn
That He may live and love and work through me,
That we may fashion, in our deep desire,
Some good to bless the world eternally.

Saturday

JUNE 13

I RELAX AND LET GO OF ALL ANXIETY, BECAUSE I KNOW THAT GOD IS MY HELP IN EVERY NEED.

WHEN YOU put your whole trust in God you cannot be tense or anxious about the outcome of any of your affairs. Tension only serves to make difficult the full concentration of your faith. When you relax you let go of your problem and turn it over to the Father.

In the face of present appearances some people are apt to become keyed up and nervous. When you feel yourself doing this, stop and consciously relax your mind and your body. Affirm within yourself, "I relax and let go." Then feel the peace of God permeating your entire being. You will experience a renewal and refreshment of body and spirit, and both your physical and mental efficiency will be increased.

There is a Spirit within you that is mighty to solve every problem, to overcome every adversity. Your part is to keep mind and body relaxed so that Spirit can express itself freely and easily through you.

¶ *Come unto me, all ye that labor and are heavy laden, and I will give you rest.*—MATT. 11:28.

IN THE STILLNESS WITHIN GOD REVEALS HIS
PERFECT PATH TO ME.

M^Y PRAYER period is a period during which I silence every mortal concept so that I may become receptive to God's wisdom. God speaks to me not in the language of words but in the hidden impulses of the heart, in the intuitive glimpses of the soul. I hear God's voice of direction as I discourage every selfish, rebellious, incredulous thought. God's way becomes clear as I encourage thoughts of willingness and obedience (receptivity).

If what is revealed to me in the silence seems strongly at variance with what I had conceived as being the right path, I am not disturbed. God's way is as high above mortal ways as the sky is above the earth. I need only be faithful to Him, sincere in my yearning to do what is right according to His leading, and He will take care of the outcome. I trust in God to reveal His perfect path in every circumstance. Turning to Him, I am upheld by divine power and assured of being divinely guided in paths of light and joy.

¶ *If any of you lacketh wisdom, let him ask of God.*
—JAMES 1:5.

I AM AWAKENED TO THE TRUTH OF CHRIST.
HE IS MY HEALTH, LIGHT, FREEDOM, AND
VICTORY.

CHRIST brought the Truth to the world, the Truth that enlightens minds and hearts and sets men free from bondage to adversity. Jesus Christ declared the truth of freedom for men, and they were free. Through His illumined consciousness He quickened men to health and victory. To those who were depressed because of seeming failure He gave the consciousness of joy and success.

The Truth of Christ corrects our thinking and establishes itself in place of the misconceptions we have previously entertained. When we accept Christ we let go of thoughts of weakness, inharmony, bondage, fear, and failure for the Truth that brings about health, courage, peace, and success.

Nothing is real or permanent unless it is based upon Truth. That which is true of Christ is all that can be true of us in Spirit. Truth triumphs over seeming evil.

• *When he, the Spirit of truth, is come, he shall guide you into all the truth.—JOHN 16:13.*

JUNE 16

Tuesday

I HEAR THE JOYFUL SOUND OF GOD'S VOICE
WITHIN ME, AND MY EARS ARE HEALED.

LIKE unto a heavenly host, the voice of God sings within me: "You are My child. Your body is My temple. It is perfect. You do not believe in imperfection. Your ears are healed, and the sounds from the outer world blend with My voice in the inner. Your mind and body are set free from all tension. In your ears there is no weakness, no obstruction, no lack of perfect receptivity. They are restored to their divine perfection."

My heart takes up the glad refrain, and I am filled with joyous praise and thanksgiving. I know that His voice is the voice of Truth, and I listen daily for His message of assurance. It assures me that my divine birthright is perfection. It assures me that I can hear perfectly and distinctly.

God's voice sings through me beautiful, wonderful, glorious words of life and completeness. I know that my ears can be healed, and that I can hear. I know that I need not be bound by human limitations but that I am free with the freedom of Spirit. God has placed a blessing on my ears.

• *Incline thine ear to my understanding.—PROV. 5:1.*

Wednesday

JUNE 17

IN THE NAME OF THE CHRIST I BLESS MY FELLOW MEN WITH LOVE, PEACE, AND THE JOY OF PERFECT OVERCOMING.

WHEN SOME person appears to be depressed, restless, or upset, bless that person with thoughts of love, peace, harmony, kindness, and patience. See him radiant, happy, and expressing his highest good, the perfect Christ Spirit.

The words of Truth that you send forth in behalf of another will find response in him and will lift him out of his unhappy state of consciousness. He will be quickened with new wisdom, understanding, and good judgment.

If it is possible for you to do something in an outer way to help him, do not hesitate to do it. But above all, pray silently for him, knowing that his consciousness will be awakened to Christ. Christ will reveal Himself to him in the way he most needs to be blessed. Then only order, peace, and harmony can exist in his life.

God's presence of peace surrounds, infolds, and blesses him and keeps him safe and secure.

• *Jehovah lift up his countenance upon thee, and give thee peace.—NUM. 6:26.*

AS I MAINTAIN THE CONSCIOUSNESS OF PEACE AND JUSTICE IN MY OWN LIFE, I BEHOLD PEACE AND JUSTICE BEING MADE MANIFEST THROUGHOUT THE UNIVERSE.

LET US this day establish peace, justice, and understanding in our heart, in our thoughts, our words, our deeds. Let us resolve not to be swayed by outer conditions but to remain calm and poised in the realization that God is good. In this way we shall be doing our part in contributing toward world peace and world justice.

It is not enough that we spend half an hour or an hour in praying for peace; we must add to these prayers the strength of an abiding peace in our own life. As we are lifted up into the consciousness of peace we help to lift those about us into the same consciousness. They in turn pass on to others the contagious qualities of this wonderful peace, and so begins an endless circle that will ever expand until all men are lifted up into the high consciousness of harmony, love, and good will among men.

● *And I, if I be lifted up . . . will draw all men unto myself.—JOHN 12:32.*

I AM INFOLDED IN THE PROTECTING PRESENCE OF GOD, AND NOTHING CAN HARM ME.

THE presence of God is within and about us, and it is our protection from all danger and harm. As we live wholly in the consciousness of His goodness we are divinely sustained and kept in all our ways. It is only by losing sight of God and His protecting presence that we actually experience His absence.

Instead of becoming panicky or distraught when things about us seem to be disturbed or danger threatens we should remember that He that is in us is greater "than he that is in the world." Our attitude should be that of the 23d Psalm: "Jehovah is my shepherd . . . He leadeth me . . . He guideth me . . . Yea, though I walk through the valley of the shadow of death, I will fear no evil; for thou [Lord] art with me."

Let this be your constant realization. Even though your daily tasks or experiences carry you "through the valley of the shadow," God is with you, your mighty helper, your protector and deliverer. He will keep you safe in His love.

* *As birds hovering, so will Jehovah of hosts . . . protect and deliver.—ISA. 31:5.*

Class Thoughts

TO BE USED FROM

June 20 to July 19

These affirmations, known as the Unity class thoughts, are composed by Charles Fillmore for the purpose of providing central ideas upon which Truth students everywhere may concentrate during the month. You are invited to use them with Silent Unity not only at the hours specified but whenever you have opportunity.

At 11 a. m. use this thought for

ILLUMINATION . . . "God is light." "In him we live, and move, and have our being."

At 12 noon use this thought for

PROSPERITY . . . "I will give thee riches, and wealth, and honor." Thy word is fulfilled in the righteous.

At 9 p. m. use this thought for

HEALING . . . "Thy healing shall spring forth speedily." Thy promise is now fulfilled in me and I am made whole.

The lessons on the following three pages are based upon these class thoughts.

JUNE 20

Saturday

"GOD IS LIGHT." "IN HIM WE LIVE, AND MOVE, AND HAVE OUR BEING."

FROM time immemorial light has been associated with the idea of divinity. In the dim pages of the earliest recorded history we find men deifying the sun as the source of all light, life, and wisdom.

The apostle John said, "God is light, and in him is no darkness at all." He also said, "God is Spirit." Since God is light and God also is all-pervading Spirit, the light of Spirit must therefore pervade and illumine the whole creation that is God in manifestation. We live, move, and have our being in God.

From God, the source of all light and wisdom, we receive illumination that enables us to perceive the true reality beneath every false appearance. If we live our life without the help of divine inspiration we find ourselves facing continual difficulty. But if we let God's light illumine our mind, we behold God's joy, peace, and love expressed in all our affairs.

* *I am the light of the world: he that followeth me shall not walk in the darkness, but shall have the light of life.*—JOHN 8:12.

"I WILL GIVE THEE RICHES, AND WEALTH,
AND HONOR." THY WORD IS FULFILLED IN
THE RIGHTEOUS.

GOD's promise of plenteous supply is directed to every child of His. Unto every one of you who read these words He has given the keys to His kingdom of infinite abundance. You are blessed by the Father with all His good gifts.

Who are the "righteous" in whom the word is fulfilled? The righteous are those who perceive that God's substance is spiritual: that it is infinite and unfailing, and that supply is always at hand to meet every need. They perceive further that since substance is spiritual it must be handled spiritually: it must be freely given and freely received; it must be used rightly and according to spiritual law; and any excess must be carefully conserved so that it is not wasted.

God knows that you have daily needs, and He has already provided the means by which they are to be met. Your job is to make contact with His supply. You can do this through prayer.

• *Riches and honour are with me; yea, durable riches and righteousness.—PROV. 8:18 (A. V.).*

"THY HEALING SHALL SPRING FORTH SPEEDILY." THY PROMISE IS NOW FULFILLED IN ME AND I AM MADE WHOLE.

IF YOU believe that some conditions can be healed through spiritual means but not all, you need to enlarge your conception of God as health. God is the Father omnipotent, the mighty God, for whom nothing is too hard.

Truth teachers are often asked by those who are seeking healing: "Can I be healed of this condition that the doctors say is incurable?" Invariably the answer is yes, for God's promise of healing is given to all. No physical condition, however chronic or acute or "incurable," is beyond God's power to heal.

What does God require of us in order that His healing may be manifested in us? A receptive heart, a mind filled with faith, and a praiseful and joyous spirit. We must be willing to receive healing, we must have faith that we do receive it, and we must give thanks that it is whole and complete. Then it becomes manifest in us, and we demonstrate perfection.

* *Bless the LORD, O my soul . . . who healeth all thy diseases.*—PSALMS 103: 2, 3 (A. V.).

MYRTLE VORST SHEPPARD

Peace will come again to the world!
How can you doubt it,
Viewing this meadow freshly turned to green,
Feeling the clean sweet breath of spring
Upon your brow,
And knowing now fulfillment
Of your winter's dream?
Peace will come again to the world.
You cannot doubt it!
Promise is given in this rush of wings,
This miracle of swallows that return
From winter wanderings!

Unity Annual Conference—June 23, 24, 25, 26

At the annual conference of Unity leaders, teachers, and lecturers who assemble here from all parts of the country many important matters are discussed and decided upon. The conference members appreciate prayers for wisdom and guidance; therefore we ask you to join us in this prayer for them during the next four days:

The light of Christ inspires you, the love of Christ unifies you, the power of Christ directs and prospers all your activities.

JUNE 23

GOD ALONE GUIDES AND UPHOLDS ME IN ALL THINGS.

To ACKNOWLEDGE God in all my ways is to see God, good, present everywhere; to show forth His divinely gracious qualities in all that I say, do, and think. For even the words of my mouth and the meditation of my heart must be acceptable to Him.

Today I shall glorify Him in everything I do, no matter how trivial or demanding the tasks may be, for I shall know that I am about my Father's business. I shall endeavor to leave something of beauty, cheer, good will, and peace with everyone I contact. Steadily through this day I shall look beyond the appearances of discouragement, sickness, poverty, or unhappiness and see instead the perfect man created in the image and likeness of God.

No material circumstance or condition can blind me to God's omnipresence. I am free, happy, and blessed. Dwelling steadfastly in divine consciousness, I am aware of His direction and guidance. The dark places are made light.

¶ *In all thy ways acknowledge him, and he shall direct thy paths.*—PROV. 3:6 (A. V.).

GOD BLESSES MY HANDS WITH THE GRACE OF SPIRIT.

MY HANDS are God's hands, consecrated to His loving service. They express His divine perfection, wholeness, and completeness. My mind, my heart, and my hands work in perfect co-ordination. My hands serve willingly, gladly, helpfully, and give no offense.

My hands are creative and useful. They create what I have in my mind's eye. They are wonderful instruments with which to work. They move swiftly, smoothly, accurately, and efficiently. They are poised and beautiful, blessed with the grace of Spirit.

The blood flows freely through my hands, making every nerve, muscle, and cell truly alive with the life of Christ. My hands express tenderness, and I use them wisely and with discretion. I work with my hands in perfect harmony, order, and rhythm. As I stretch forth my hand to a friend, co-worker, or fellow man, a benediction of tender compassion is given, an assurance that all is well with him and his world.

• *Thou hast blessed the work of his hands.—Job 1:10.*

GOD IN THE MIDST OF ME IS A TOWER OF STRENGTH, STABILITY, AND COURAGE.

TRUE spiritual courage is of God. We are now passing through times when we need to strengthen our faith in Him and find courage through closer unity with Him. Whatever is before us, by the help of God we can and will meet triumphantly.

Perhaps we feel at times that we are standing still, that somehow there have always been wars and there always will be. This is a strange illusion, and we must not be deceived by it. Wars and the makings of wars are passing, and instead of fears, doubts, hatreds, and greeds, we must be aroused to peace, order, harmony, and the love of God as enduring realities.

It requires clear vision, poise, and courage to see beyond the sins of wars. True spiritual courage will lift us above misgivings. When we are established in a consciousness of courage, we look to God for the divine solution of every problem. God is the right answer. The realization of His presence in us gives us light and courage.

• *Be strong and of good courage.—DEUT. 31:6.*

JUNE 26

I SURRENDER OLD THOUGHTS, OLD WAYS,
AND OLD CONDITIONS TO GOD. I WILL TO DO
HIS PERFECT WILL.

SINCE I have attuned myself to the Father's will, I am not tempted to place my whole happiness and well-being in outer things and outer conditions. I know the importance of following the Christ within.

Through my freedom of will I can reject all that is unlike His perfection. I can accept His light, His life, His plenty, and His divine instruction.

Whereas before I might have hesitated to pray, "Thy will be done," I now realize that I can ask nothing finer, truer, higher than that His will be done in and through and for me. His will is always for my happiness, my health, my prosperity, my good. So I will to do His perfect will.

I praise and give thanks for the "gift of Jehovah," free will. Through wise use of this faculty I now enter the kingdom prepared for me, and I abide in happiness.

Old thoughts and old conditions are now replaced by God's will of abundant good.

* *The will of the Lord be done.—ACTS 21:14.*

JUNE 27

Saturday

I REJOICE IN THE KNOWLEDGE THAT THERE IS NO SEPARATION IN SPIRIT.

THERE IS no separation in Spirit. Every human being, man, woman, or child, bears the same relationship to God. It makes no difference whether the relationship is acknowledged or not. I know that I am a son of God. Nothing can separate me from His love and care. I know that all men are my brothers and one with me in the great all-encompassing love of God. Therefore I fear no separation from those I love.

Miles are no barrier between those who recognize spiritual unity in God. I rejoice in the realization that it is as impossible to be separated in Spirit from those I love as it is to be separated from God. We are all one. No ocean, no army camp, no circumstance of any kind can counteract that fact. Each man has his own part to play in the divine plan of the universe. No matter where that individual divine plan can lead a man, it can never lead outside of the bounds of God's dominion. I rejoice in my oneness with God and with all mankind.

• *He that is joined unto the Lord is one spirit.—I COR. 6:17.*

IN THE STILLNESS OF PRAYER I MEDITATE UPON THE LIFE AND PEACE OF GOD.

THE SILENCE is a period of meditation during which the thoughts are withdrawn from the external and concentrated upon the inner truths of Spirit. When you enter into your silence period, take some simple statement of Truth and concentrate your thought upon it, seeking to let its full meaning permeate your consciousness.

The divine law is that we manifest whatever we dwell upon in thought. Therefore we should seek to realize the Truth about ourselves, that we are Spirit and immortal, that we are eternally one with the life and peace of God.

Whatever God is we are. It is therefore untrue to affirm of ourselves anything that we would not or could not affirm as being true of God. Since what we affirm either constructively or destructively directly affects our life and affairs, we should be careful to make only positive affirmations and to meditate in the silence upon that alone which we know to be true of ourselves.

• *Jehovah is in his holy temple: let all the earth keep silence before him.—HAB. 2:20.*

JUNE 29

Monday

I LEND MYSELF WHOLEHEARTEDLY TO GOD,
AND I SERVE HIM WELL.

WHEN THE world seems to be filled with turmoil and strife, if you will lend yourself wholeheartedly to God, He will protect, guide, and direct your every step. He will give you of His great love and comfort. He will sustain, infold, and bless you.

Become very still and recognize God's presence and power within you. Let yourself become an open channel through which His life and power can flow. When you thus open yourself to the workings of His Spirit you become an instrument for His use, the means by which His good work is accomplished. What you do no longer seems difficult or impossible for you but becomes a joyous service.

Consecrate your mind, your heart, and your being to God's service. Do not be resistant or complaining, but co-operate with Him to the fullest. Thus you will be assured of His help, His strength, His power to accomplish successfully all that you undertake to do.

* *Serve him with a perfect heart and with a willing mind.—I CHRON. 28:9.*

JUNE 30

I HAVE COMPLETE CONFIDENCE IN THE OUT-WORKING OF GOD'S PLAN.

"**T**HE battle is not yours, but God's." We can take these inspiring words to heart as our personal message from on high, divine assurance of God's almighty and ultimate victory. In this present world conflict, we need to realize that its end is inevitably determined.

Will the myriad influences of Christianity on the life and freedom of the individual be able to maintain themselves against the organized might of the forces designed to destroy them? The answer to that question is an emphatic yes, ringing with such conviction and clarity that its assurance can be heard above the loudest tumult of battle.

The battle is not of humans pitting brute force against each other; it is a conflict in which God's power plays the major role. On God's side are heavenly hosts of love, light, and peace. Liberty, justice, righteousness, and mercy are the weapons that will surely win, and from the victory shall be forged a peace founded on immortal principles of right.
